Burglar Alarm Testing & Repair Service Charges – 2011

[Distance: Miles]

Premier Security has pleasure introducing their Burglar Alarm Testing and Repair Service. This service is available to the owners of any alarm system that require the regular testing, repair including the remote monitoring of those alarm systems that are connected to an Alarm Receiving Centre [ARC]. All charges shown are inclusive of VAT at the current rate and are valid for all agreements taken out during 2011. All charges are fixed for the duration of any agreement.

Level 1 – Burglar Alarm “Emergency Repair” Service

Type of Callout	Standard Callout Charges	Mileage/Distance Charge
Contract - Callout Charge*	£30.00 – Per Emergency Callout	£1.00 Per Mile
Standard - Callout Charge	£50.00 - Per Emergency Callout	£1.00 Per Mile

The Level 1 Service Charge is levied for all emergency callouts, except those systems on a Level 3 ‘Inclusive’ agreement. Those systems that are not under contract will be liable to our standard callout charge. Those on a “Test Only” agreement will be liable to a reduced contract callout charge. Callout charges are in addition to all other repair/corrective/defective/replacement equipment charges levied by the company.
